IN THIS SOCIETY are combined the advantages of Mutual Assurance with Moderate Premiums.

THE PREMIUMS are so moderate that an Assurance of £1200 or £1250 may generally be secured from the first for the yearly payment which usually would be charged (with profits) for £1000 only—equivalent to an immediate Bonus of 20 to 25 per cent.

THE WHOLE PROFITS go to the Policy-holders, on a system at once safe and equitable,—no share being given to those by whose early death there is a loss. Large additions have thus been, and will be, made to the Policies of those who participate, notwithstanding the lowness of the Premiums.

THE SURPLUS at last Investigation was £1,051,035, which, after reserving one-third, was divided among 9384 Policies entitled to participate. First additions (with few exceptions) ranged from 18 to 34 per cent., according to age and class. Other Policies were increased in all 50 to 80 per cent., and upwards.

EXAMPLES OF PREMIUM FOR £100 AT DEATH—WITH PROFITS.

AGE	25	30	35	40	45	50	55
During Life .	£1 18 0	£2 1 6*	£2 6 10	£2 14 9	£3 5 9	£4 1 7	£5 1 11
21 Payments .	2 12 6	2 15 4	3 0 2	3 7 5†	3 17 6	4 12 1	5 10 2

[The usual *non-participating* Rates differ little from these Premiums.]

* A person of 30 may secure £1000 at death, by a yearly payment, *during life*, of £20, 15s. This Premium would generally elsewhere secure £800 only, instead of £1000.

OR, he may secure £1000 by 21 yearly payments of £27, 13s. 4d.—*being thus free of payment after age 50.*

† At age 40, the Premium *ceasing at age 60*, is, for £1000, £33, 14s. 2d.—about the same as most Offices require during the whole of life. To PROFESSIONAL MEN, whose income is dependent on health, this limited payment system is specially recommended.

The following results were reported for the year 1890:—

New Assurances completed, £1,032,008.

Premiums in year, £600,820.

Total Income, £907,648.

The Claims (including Bonus Additions*) were £431,466.

* These averaged about 49 per cent. on Assurances which participated.

THE FUNDS (increased by £363,150) amounted to £7,356,619.

The Expenses were under 10 per cent. of premium income.

ARRANGEMENTS as to Surrender, Non-forfeiture, Early Payment of Claims, etc., are specially liberal. POLICIES, as a rule, are World-wide *after five years*.

REPORTS, with full Statement of Principles and Tables of Rates, may be had.

ARTHUR CATES, Esq., F.R.I.B.A., *Architect to the Crown, etc.*—‘I have used your Air-Pump Ventilator with satisfactory result. Those fixed under my direction at the Library of the Inner Temple have realized my expectations, and completely fulfil the object which I had in view. I consider this application of them a severe test, and the success which has attended it confirms the statement which you make as to their efficacy.’

SIR WILLIAM THOMSON, F.R.S., *Glasgow University*.—‘I have seen several different forms of Mr. Boyle’s Air-Pump Ventilator in actual operation, and have much pleasure in testifying to their efficiency. They thoroughly realize the favourable anticipation which I formed from experiments on models shown to me by Mr. Boyle. A PRACTICAL EXPERIMENT.

A Certain Warehouseman being in doubt as to how and where to have his circulars addressed, wrote to six different printers asking them to refer him to the right quarter. Imagine his surprise, on opening their replies, to find that five of them recommended Wilson & Comp., 83 Jamaica Street, and four of them added a special recommendation; two for punctuality and accuracy, one for speed, and one "for the remarkable way in which they interpret your instructions, and carry them out to the very letter, no matter how complicated." Surely this speaks for itself.

"PREFERRED" NEWSPAPERS.

THE Newspapers published in the United Kingdom number 2244. Of course, even the most liberal Advertiser would find it difficult to deal with all of these, so we have adopted the plan of preparing Lists of preferred Papers, or those only we can best recommend. There may be local reasons for inducing special Advertisers to patronise particular Newspapers, but even then our seventeen years experience enables us to pick out the Newspaper, the Class, or the District most remunerative to the Advertiser.

Note.—We do not allure Advertisers with "long lists" of so-called "cheap" papers of no circulation or influence—sometimes not even in existence, except as the duplicate of another differing only in title. All the Papers on our Lists are selected as being representative, having a good circulation, and are in every case the best.

WE own and control various Lists and combinations of Newspapers, Magazines, &c., for which we solicit and receive Advertisements in the capacity of principals, and not as brokers or agents.

NOTE.

THE PROPRIETORS of the 'POST-OFFICE EDINBURGH AND LEITH DIRECTORY,' in sending out the Eighty-sixth issue, beg to express their best thanks for the reception the book has always received from the general public. It has ever been the desire of the Proprietors to make the Directory as complete as possible.

This year the Church, Law, Public Departments, and Miscellaneous portions of the Directory have been rearranged, and a Medical Directory introduced, with a view to make the whole fuller and more convenient for reference. The County Directory has been placed at the end of the volume. The Index has also been carefully revised and enlarged, and it is hoped that, altogether, the changes made will prove of service, and make this issue still more valuable to those who have occasion to consult it.

All communications on Directory business should be addressed to the Editor as below, and will have careful and prompt attention.

EXPLANATION.—In the Left-hand Table are the years of the Century, and above each is the Dominical Letter corresponding with that Year. Then, opposite to the Month, at the foot of the Right-hand Table, will be found a corresponding Letter, over which are placed the Days of the Month and Week for that Month (distinguishing the Sundays by a different type). Each Blank Space in the Left-hand Table shows the Year following to be Leap Year; and as every Leap Year has two Dominical Letters, the Letter above the *Blank Space* must be used for January and February in every Leap Year; and for the other months, use the Letters belonging to the respective Years. By transposing the Dominical Letters, this Calendar would answer for any Century.
